Aloe & Hibiscus Flower Foot Balm

Aloe extract moisturizes and helps heal skin while Hibiscus flowers re-texturize rough, dry skin. Chamomile and Rosemary's anti-inflammatory properties relieve mild swelling and irritation as pure beeswax softens and protects feet.

For use anytime feet need a re-energizing treatment. For ultimate pampering, it is recommend to use Cactus & Peppermint Foot Scrub before applying Aloe & Hibiscus Flower Foot Balm. Perfumania Retail Price for an 8 oz tub is \$12.

Shea & Cactus Body Butter

This jar of shea butter is complete with a natural calming scent, vitamin e for smooth skin, cactus extracts that soothe dry and rough skin as the weather continues to change. Also includes Shea ingredients that supplement moisture and promotes skin elasticity for skin soft to the touch... This particular shea butter is not like many on the market...it's light and non-oily so you can feel free to put it on delicate areas of the face and not worry about pores being clogged which can lead to break outs!! The body butter can be used at any time for skin hydration and the clean soft feeling last all day long!! This winter we all need to be proactive and

condition our skin from head to toe with moisturizing products...I'm definitely getting a head start, by adding these beauty must haves to my routine.

Shea & Cactus Body Butter for ultimate hydration. Perfumania Retail Price for a 12 oz. bottle is \$12.

Great other products to try:

Yucca & Agave Body Moisturizer

Yucca and Agave provide extraordinary moisturizing and soothing properties to pamper and nourish skin. Vitamin E provides additional hydration. With regular use, skin will look and feel rejuvenated.

This product should be applied liberally to slightly damp skin after bath or shower, or anytime skin needs hydration. Can be followed with Sun Glow Body Mist for a radiant, refreshing feeling all day. Perfumania Retail Price for a 12 oz. bottle is \$12.

Desert Flower Body Wash

Desert Flower extracts provide an aromatic, fragrant cleansing experience. Additional softening ingredients such as honey naturally re-hydrate and smooth skin. Creamy, lavish lather gently washes away dirt and impurities to reveal cleaner, fresher, healthier skin.

After use in bath or shower, it is recommended to apply Yucca & Agave Body Moisturizer or Shea & Cactus Body Butter for ultimate hydration. Perfumania Retail Price for a 12 oz. bottle is \$12.

Prickly Pear Cactus Body Scrub – net wt 8 oz

Prickly Pear Cactus is a natural skin soother and a rich source of antioxidants and Vitamin C. Combined with body buffing micro-beads that gently polish the skin's surface, this scrub will invigorate skin and promote cell turnover, rendering skin more radiant and even-toned.

For use in bath or shower 2-3 times a week as needed. Product should be applied lavishly all over body, especially on dry patches, knees and elbows. It is always best to use moisturizer immediately after cleansing skin. Yucca & Agave Body Moisturizer or Shea & Cactus Body Butter is recommended. Perfumania Retail Price for an 8 oz tub is \$14.

Mojave Desert Body Mud

Mud treatments detoxify skin by drawing out dirt and impurities and unclogging pores. Citrus Peel moderates melanin to even out skin tone and essential extracts reduce skin cell build up to refine texture and replenish vital moisture. This purification process rejuvenates skin for a brighter, younger look.

Product should be used once week or as needed. Pores need to be opened with a warm, wet cloth prior to mud treatment. An even layer of mud should then be applied onto skin. After mud dries, it should be rinsed with warm water. Follow with Yucca & Agave Body Moisturizer or Shea & Cactus Body Butter to keep skin soft, smooth and hydrated. Perfumania Retail Price for a 16 oz. tub is \$18.

Perfumania will be exclusively offering this product line in their stores nationwide beginning in January 2006.
